

## ST64-4-CT-TS

4 Watt / CRI 80+ / 400 lm

- LED Filament E27 Edison Globe
- Low Power Consumption
- IC Control - Overload, Overvoltage and Short Circuit Protection
- C-TICK and SAA approved
- Flicker Free
- Long lifespan

### GENERAL INFORMATION:

|                |                  |
|----------------|------------------|
| Model          | ST64-4-CT-TS     |
| Globe Shape    | ST64             |
| Globe Base     | E27              |
| Filament Shape | T-Spiral         |
| Shell Cover    | Clear            |
| Size           | Ø64 mm x H142 mm |
| Warranty       | 2 Years          |

### PERFORMANCE:

|                       |                     |
|-----------------------|---------------------|
| LED Power             | 4 W                 |
| Luminous Output       | 400 lm              |
| Efficiency            | 100 lm/W            |
| Color Rendering Index | 80+                 |
| Power Factors         | > 0.5               |
| Dimming               | Yes                 |
| Beam Angle            | 360°                |
| Input Voltage         | 110~240V AC 50~60Hz |
| IP Rating             | IP20                |
| CCT                   | 2200K               |
