

## ABOUT

Intelligent IC Control  
 - Overload  
 - Over-voltage  
 - Short Circuit Protection  
 High Efficiency Double IC Forward Structure  
 Effective heat dissipation  
 East to install  
 Water and dusk proof

## PERFORMANCE

Wattage 60W  
 Input AC187-262 V 50/60Hz  
 Output DC 12V/5A  
 Method Converting AC power to DC power

## GENERAL INFORMATION

Size 218 mm x 32 mm x 22 mm  
 Net Weight 341g  
 Material Aluminum  
 Cable Length 300 mm  
 Connector Type C5 with earth contact  
 Warrant 2 Years
